

Communications | Local Company PowerPoint Presentation | Krieger

Directions: Your group will research a local company and present pertinent information in a PowerPoint presentation. Be sure to address all of the following:

- What is the company's mission?
- What does the company do—products/services?
- How long has the company been in business?
- Is there a parent company?
- What is the company's commitment to the local community?
- How many locations?
- What types of jobs does the company support?
- What are other important or interesting facts?

Your presentation should be 4-6 minutes long. Each group member is responsible for part of the presentation.

Where will you find this information?

Presentation dates will be assigned in class and are non-negotiable.
