

## ***American Born Chinese* Class Project**

Our task as a class is to create a portfolio for *American Born Chinese* that we will ultimately present to the Board of Education. Our goal is to convince the BOE that Gene Luen Yang's graphic novel is a book that all students at UEHS should have the opportunity to read and study.

You will receive both an individual grade and a group grade for this project.

Due date: Friday, October 12, 2012
