

Shipbreaker Crew Tat – Please design an awesome crew tat in honor of our current book, Paolo Bacigalupi’s *Shipbreaker*. What do you want your tat to say about you? Use images or designs only—no words. Remember, the tats are the outer marker of your crew and of your loyalty to that crew. Due on Monday, January 7, 2013. Right now, everybody will design his/her own tat. We will eventually settle on crews and collective tats. Be sure to read chapters 6 & 7.
