British Satire 1841

Satire Assignment | Points Possible: 25

- Topic/Target of your choice
- Format: you pick
- Length: varies based on your topic and style, but you are probably looking at a minimum of two pages types, double-spaced.
- Presentation: Neat!
- Include an index card with your satire explaining to me what your literal target is, what your bigger target is, what you are attempting to expose, how you are doing it

Grading:

- Is the target clear?
- Is the bigger issue clear?
- Did you use satirical elements? Which ones? Irony? Tone? Allusion? Sarcasm? Hyperbole? Parody?
- Is your satire strangely believable?
