

Perfect Mate: Student Form

In Act I Scene 2 of *Romeo & Juliet*, Lord Capulet, Juliet's father, and Paris, cousin to Prince Escalus who wants to marry Juliet, discuss the marriage. In many cultures marriages are arranged by parents with little or no input from the bride and groom. In this scene Capulet tells Paris:

*"My will to her consent is but a part.
And she agreed, within her scope of choice
Lies my consent and fair according voice."*

So, Lord Capulet at least is telling Juliet's suitor that she must also consent to the marriage.

Have you ever dated or even expressed an interest in a guy or girl that your parents disapproved of? If so, you should have some empathy for what Romeo and Juliet are going through in this play.

If you had to list the traits (physical, personality, etc.) of your perfect mate, what would they be? Try to be as specific as you can be.

Now, try to figure out what traits your parents would list if they were choosing the perfect mate for you. Again, try to be specific.

REMEMBER! Don't let your parents see your list until they have done theirs on the other side.

Please have both sides of this survey completed and with you in class.

Perfect Mate: Parent Form

Dear Parent(s):

We are reading Shakespeare's Romeo and Juliet in English class, and I would appreciate your taking the time to complete this survey.

As you may remember from your own high school English class, the play centers on two young people who fall in love. Their parents, however, are enemies and make the relationship impossible for Romeo and Juliet. On the other side of this sheet I have asked the students to list traits THEY would want in a "perfect mate." Now, I'm going to ask you to do the same, *without having looked at their lists first*. Naturally, you're welcome to read what they said after you've answered the questions.

Thanks for your help in completing this project.

What traits (physical, personality, etc.) would you think *your son or daughter* would *look for* if searching for the perfect mate for himself or herself?

Now, what traits would *you consider most important* if you were choosing the perfect mate for your son or daughter?
