

The Tempest Character Folio

Task: Create a folio for your character. You must address ALL of the following:

- ✓ A poster on 11x14 paper that features your character's physical appearance and his or her characteristics
- ✓ A one to two-page analysis of the role your character plays in the overall arc of *The Tempest*.
- ✓ A poem or rap about your character
- ✓ A page from a clothing catalogue that features your character. The clothing and accessories must tell the story of your character. Be sure to include taglines, prices, and other descriptive items. The class will turn in a single clothing catalog so you are going to have to work together. There will be multiple pages for some of the characters. Everyone must contribute a page.
- ✓ Due date for all items is Thursday, February 11.
