

The Graphic Assignment

Think about a time in your life when you underwent a significant change. Now bring that time to life via graphics.

This assignment is two-fold.

1. On the small sheet, sketch out your story using **NO WORDS**.
2. On the larger sheet, sketch out your story using images, words, spacing, gutters, frames and any other maneuvers that you'd like.

These items are both due on Thursday, March 17. As always, I will not grade you on your artistic prowess, but I will grade you on neatness, creativity, and effective communication.

Point value: 30
