

AP Vocabulary Recovery Plan for Lesson 10

If you earned a score between 21 and 25, then you can recover all points (25).

If you earned a score of 20 or below, then you can bring your score up to (22).

You must turn in your assignment on Monday, November 28, 2011. No exceptions.

Directions: For each missed word, you will write 5 sentences in which the missed word is used correctly. Sentences must be handwritten. Sentences must be legible. If I can't read it, then you don't get credit. This is an "all or nothing" opportunity. You must write sentences for **ALL** missed words.
