

The Ship-Trap Map

Your task is to create a map of Ship-Trap Island and to plot Rainsford's trail. Using information from the text, create a map (complete with a legend) that shows the main events of Rainsford's adventure as they pertain to the plot.

**Requirements:**

- \_\_\_\_\_ You must have at least eight locations on your map. (8)
  - \_\_\_\_\_ You must represent each point on the plot diagram. (6)
  - \_\_\_\_\_ You must have a legend on your map. \*
  - \_\_\_\_\_ Each location must pertain to the plot of the story. }
  - \_\_\_\_\_ Each location should be clearly labeled. }
  - \_\_\_\_\_ You must justify the placement of each location. \*\* }
  - \_\_\_\_\_ Neatness, spelling and accuracy count. (minus points)
- (16)

\*The legend/map must clearly indicate your understanding of plot points and story events. For instance, if you place Zaroff's palace on the map, you must clearly label it and indicate which plot element it is associated with.

\*\*You must include a sheet that explains the placement of locations on your map. You can do this by giving a quote from the story or by giving a reasonable line of reasoning based on other evidence from the story.
