Due Date = Friday, September 28, 2012

In honor of our beloved Boo Radley, we will be constructing our own urban legends.

You will:

Base your urban legend on a known legend.

OR Create your own urban legend based on your old photo.

Requirements:

- Must be at least one page (250 words, double-spaced)
- Must include at least one creepy character
- Must provide a descriptive and scary atmosphere. Appeal to multiple senses.
- Must include information about the original legend or a copy of your picture.
- If you base your legend on a known legend, you may change as many details as you wish. You must put your signature on the new legend. In other words, make it your own. Don't just rewrite what is already there.
- Consider adding introduction material.
