

***A Raisin in the Sun* Homework**

Next week in class we will be working on essay writing. Your homework for this weekend is to select one character from the play and find quotes that reveal that character's dream. You must find at least **4** quotes. Please include the page numbers and the context.

For instance, one quote that demonstrates Walter Lee's desire to become successful can be found on page 73, "Sometimes it's like I can see the future stretched out in front of me—just plain as day."

Context: Walter is trying to convince mama that the liquor store is a good investment.

Choose from the following characters:

Walter Lee

Beneatha

Ruth

Mama

Asagai
