

Grammar Test Revisions

Due Date: Thursday, January 3, 2013 NO EXCEPTIONS

Possible Point Recovery:

- If you have a score of 64% or lower, then you can raise your grade to 80%.
- If you have a score in the 65% to 79% range, then you can raise your grade to 90%.
- If you have a score in the 80% range, then you can raise your grade to 100%.
- If you are Landon Husted, then I'll probably just have to buy you a new car or something. Kidding! Landon will get extra credit.

Non-Negotiable Requirements:

- Regardless of your score or your recovery range, you must correct all errors.
- All corrections must be handwritten. ABSOLUTELY NO TYPED WORK WILL BE ACCEPTED.
- The original exam must be turned in with your corrections.
- Number each correction so that it matches the question number on the test.
- Explain why your original answer is incorrect.
- Give the correct answer.
- Explain why your new answer is correct.
- Ignore questions 25 & 27. Everybody gets credit for those two as I worded them awkwardly.
- Staple your original test on top of your revisions.

If I have made a grading error, then write me a note and I will adjust your grade accordingly.

I'm here to encourage you.
