

Theme Map – This activity will help you to decide on a topic and a theme statement.

Start by selecting a broad topic of interest. For example, you might select revenge, love, or identity.

Write the word at the top of a sheet of paper, and then think about examples from the book that tie into your topic. Start listing ideas and examples. What do you have? Do you have as much information as you had hoped? It might be helpful to create a map for multiple topics to see which one you like the best.
