

[REASONS]

Obamacare allows all citizens to have medical coverage

The poor will have insurance. People who are very ill can maintain their insurance. Some states will see rates drop.

Younger citizens will be able to help support the elderly. Expensive treatments will be available to those who need them most.

So

[CLAIM]

Obamacare is necessary.

[WARRANT]

A nation should take care of every citizen

→ [BACKING]

- Obamacare, according to the Supreme Court, is a tax + taxes are levied for the common good
- Basic healthcare is essential to a nation's prosperity.
- No citizens can be forgotten.
- We never know the potential of any citizen; therefore, we must take equally good care of all citizens what if someone who can't otherwise afford insurance is destined to cure cancer
