

The Identity Graphic | Due on Friday, October 3

Junior, in Sherman Alexie's *The Absolutely True Diary of a Part-Time Indian*, struggles to figure out who he is. He often feels as though he is stuck between two worlds. This conflict leads to frustration and loneliness, but also to new discoveries such as friendships with the white teenagers in Reardan.

Your task: Using the illustration on page 57 of *The Absolutely True Diary of a Part-Time Indian* as a model, create a two-sided drawing of yourself. Which two worlds do you maneuver through?
